

New York to Nowhere (Life In General Version)

[MxPx](#)

Going nowhere fast
Watching cars go past
Why won't the snow melt faster?
This trip is a disasterSixteen hour drive
Just played in some dive
New York to nowhere
We're never gonna get thereA million miles away
From everyone I know
Stuck here night and day
With five more days to goGoing nowhere fast
Watching cars go past
Why won't the snow melt faster?
This trip is a disasterSixteen hour drive
Just played in some dive
New York to nowhere
We're never gonna get thereA million miles away
From everyone I know
Stuck here night and day
With five more days to go
