Hollow Man

Bryan Clark

It's so nice to get away, get away for a day
I see a hollow man, gun in hand, gun in hand, it points my way
You know, he follows me everywhere and everyday, I gotta get away
I won't miss him if he goes away and stays away, yeah, yeah
He's just a hunter for the devil
Hollow man
Hollow man
Hollow man
He's just a hunter for the devil
Hollow man
Hollow man
Hollow man
It's so nice to get away, get away for a day
I see a hollow man, gun in hand, gun in hand, it points my way, oh
You know, he follows me everywhere and everyday, I gotta get away
I won't miss him if he goes away and stays away
Oh yeah, yeah, yeah, yeah
He's just a hunter for the devil
Hollow man

Hollow man
Hollow man
He's just a hunter for the devil
Hollow man
Hollow man
Hollow man
Yeah, yeah
Yeah, yeah, yeah
Yeah, yeah
Yeah, yeah
Yeah, yeah, yeah
Yeah, yeah
Yeah, yeah, yeah
Yeah, yeah
Yeah, yeah, yeah
Yeah, yeah
Yeah, yeah, yeah
Yeah, yeah
Yeah, yeah, yeah
