Venus And Mars

Paul McCartney & Wings

Sitting in the stand of the sports arena
Waiting for the show to begin
Red lights, green lights, strawberry wine
A good friend of mine, follow the stars
Venus and Mars
Are alright tonightWhat's that man holding in his hands?
He looks a lot like a guy I knew way back when
Its silly willy with the Philly band
Could be..... Oo-ee.....If there's a Rock Show
At the Concertgebow
They've got long hair
At the Madison Square
You've got Rock and Roll
At the Hollywood Bowl
We'll be there..... Oh yeah.....The lighst go down - they're back in town O.K.
Behind the stacks you glimpse an axe
The tension mounts you score an ounce Ole!
Temperatures rise as you see the white of their eyesIf there's a Rock Show.....In my green metal suit I'm preparing to shoot up the City
And the ring at the end of my nose makes me look rather pretty
Its a pity there's nobody here to witness the end
Save for my dear old friend and confidante - Madamoiselle Kittywhat's that man movin' to and fro?
That decibel meter doesn't seem to be reading low
But they was louder at the Rainbow
Could be..... Oo-ee.....If there's a Rock Show
At the Concertgebow
They've got long hair
At the Madison Square
You've got Rock and Roll
At the Hollywood Bowl
We'll be there..... Oh yeah.....If there's a Rock Show.....If there's a Rock Show.....If there's a Rock Show.....
