

# Venus And Mars

## Paul McCartney & Wings

Sitting in the stand of the sports arena  
Waiting for the show to begin  
Red lights, green lights, strawberry wine  
A good friend of mine, follow the stars  
Venus and Mars  
Are alright tonight What's that man holding in his hands?  
He looks a lot like a guy I knew way back when  
Its silly willy with the Philly band  
Could be..... Oo-ee.....If there's a Rock Show  
At the Concertgebouw  
They've got long hair  
At the Madison Square  
You've got Rock and Roll  
At the Hollywood Bowl  
We'll be there..... Oh yeah.....The lights go down - they're back in town O.K.  
Behind the stacks you glimpse an axe  
The tension mounts you score an ounce Ole!  
Temperatures rise as you see the white of their eyes If there's a Rock Show.....In my green metal suit I'm  
preparing to shoot up the City  
And the ring at the end of my nose makes me look rather pretty  
Its a pity there's nobody here to witness the end  
Save for my dear old friend and confidante - Mademoiselle Kitty what's that man movin' to and fro?  
That decibel meter doesn't seem to be reading low  
But they was louder at the Rainbow  
Could be..... Oo-ee.....If there's a Rock Show  
At the Concertgebouw  
They've got long hair  
At the Madison Square  
You've got Rock and Roll  
At the Hollywood Bowl  
We'll be there..... Oh yeah.....If there's a Rock Show.....If there's a Rock Show.....If there's a Rock  
Show.....
