## Pendulum

When I'm falling down  
Will you pick me up again?  
When I'm too far gone  
Dead in the eyes of my friends Will you take me out of here?  
When I'm staring down the barrel  
When I'm blinded by the lights  
When I cannot see your face Take me out of here  
Take me out of here  
Take me out of here  
Take me out of here... All I believe  
And all I've known  
Are being taken from me  
Can't get home Yeah, do your worst  
When worlds collide  
Let their fear collapse  
Bring no surprise Take me out of here Feed the fire, break your vision  
Throw your fists up, come on with me  
Feed the fire, break your vision  
Throw your fists up, come on with me Feed the fire, break your vision  
Throw your fists up, come on with me  
Feed the fire, break your vision  
Throw your fists up, come on with me Just stay where you are  
Let your fear subside  
Just stay where you are  
If there's nothing to hide Feed the fire, break your vision  
Throw your fists up, come on with me  
Feed the fire, break your vision  
Throw your fists up, come on with me Feed the fire, break your vision  
Throw your fists up, come on with me  
Feed the fire, break your vision  
Throw your fists up, come on with me Feed the fire, break your vision  
Throw your fists up, come on with me
