Goodbye Says It All

BlackHawk

It's another back-door sneakin' in
Where you been midnight?
Quiet as a mack truck, lots-a luck
Thinkin' up an alibiBut every light in the house is on
Everything is goneShe left me no chance at redemption
No further exemption
Just a big red goodbye and lipstick on the wall
Goodbye says it allNo long explanation, no reconciliation
No let's talk it over number, I can call
Goodbye says it all
GoodbyeShe could have thrown a knock-down
Scream-and-shout, have-it-out tirade
She could have made it real tough, bringin' up
All the hell that I raisedNo more wasted words on me
No she kept it short and sweetShe left me no chance at redemption
No further exemption
Just a big red goodbye and lipstick on the wall
Goodbye says it allNo long explanation, no reconciliation
No let's talk it over number, I can call
Goodbye says it all
GoodbyeNo more wasted words on me
No she kept short and sweetShe left me no chance at redemption
No further exemption
Just a big red goodbye and lipstick on the wall
Goodbye says it allNo long explanation, no reconciliation
No let's talk it over number, I can call
Goodbye says it all
Goodbye
Goodbye, goodbye says it all
