

# Always Be a Child

[Scott Michael Bennett](#)

Always Be A Child

I was there when you drew the breath of life

And I could hear your voice

The first time that you cried

And though you couldn't see me

I was very near

And there's something now

That I want you to hear

Chorus :

You will always be a child in my eyes

And when you need some love

My arms are open wide

And even when you're growing old

I hope you realize

You will always be a child in my eyes (End Chorus)

And I was there the first time that you prayed

And I heard all the promises you made

And when you fell before me

Crying father I have sinned

I picked you up

And held you close again

Chorus x2

You will always be a child in my eye
