

I Wanna Be Loved

Johnny Thunders & The Heartbreakers

Well won't you listen baby
To what I wanna say
I'm so crazy 'bout you
I don't wanna play I wanna be loved
Be loved by you
I wanna be loved
Be loved by you You can't change my mind
You can't change the times
You can do what you want
You better read between the lines I wanna be loved
Be loved by you
I wanna be loved
Be loved by you
