Push

The Killdares

I'm seeing too much of you lately
And you're starting to get on my nerves
This is exactly what happened last time
And it's not what we deserve
It's a waste of my time lately
And I'm running out of words
If it's really meant to be
Then you can find a way to say
That maybe you should just shut up
Even when it gets tough
Baby 'cause this is love
And you know when push comes to shove
It's gonna take the both of us
Baby this is love, baby this is love, love, love, love
It's really great to be with you
This is how I could spend my life
But I'm capable of taking care of myself
So if you fuck this up then go take a hike
It's a waste of my time shaking
I'm not going out to search
If it's really meant to be
Then you can find a way to say
That maybe you should just shut up
Even when it gets tough
Baby, 'cause this is love
And you know when push comes to shove
It's gonna take the both of us
Baby this is love, baby this is love
You and me, we can both start over
Just the two of us, we can get a little closer
So follow me, honestly and you will see
That maybe you should just shut up
Even when it gets tough
Baby, 'cause this is love
And you know when push comes to shove
It's gonna take the both of us
Baby this is love, baby this is love
That maybe you should just shut up
Even when it gets tough

Baby, 'cause this is love, this is love
And you know when push comes to shove
It's gonna take the both of us
Baby this is love, baby this is love, love, love, love
