Bloom

The Veils

Don't she seem
Like some faded picture
And don't she stare
Sad as the still, wide ocean
Over me
Came all the rain and lights
Over me
She took my hand and now there's no other
Don't you see
She is never-ending?
She walked on stones
From Ellis End to Maryland
Over me
Came all the rain and lights
Over me
She took my hand and now there's no other
And in this dream
We go on forever
We climb the stairs
Thought I was good for nothing
And then
Over me
Came all the rain and lights
Over me
She took my hand and now there's no other
She took my hand and now there's no other.
