Rocky Road

Peter, Paul & Mary

Red light, green light 'round the town
I found a penny on the ground
Met a friend I never know'd
Walkin' down ol' rocky roadRed, green ol' rocky road, tell me what you see
Tell me inside out, tell me upside down
All around the block, all around the town
Red, green ol' rocky road, tell me what you seeJimmy, come out and play
Well red light, green light and I'll be it today
Red, green ol' rocky road, tell me what you seeHey, Jimmy Huggins your name's been called
Come and stand beside the wall
Pick a girl that you know well
You can kiss and you can tellRed, green ol' rocky road, tell me what you see
Tell me inside out, tell me upside down
All around the block, all around the town
Red, green ol' rocky road, tell me what you seeJenny, come out and play
Red light, green light and I'll be it today
Red, green ol' rocky road, tell me what you seeLittle Miss Jenny, don't you hide
Papa's gonna take you for a pony ride
One potato, two potato, three potato, four
Cross the line and close the doorLittle Miss Jenny, don't you hide
Papa's gonna take you for a pony ride
One potato, two potato, three potato, four
Cross the line and close the doorRed, green ol' rocky road, tell me what you see
Tell me inside out, tell me upside down
All around the block, all around the town
Red, green ol' rocky road, tell me what you seeRed light, green light 'round the town
I found a penny on the ground
Met a friend I never know'd
