

Run

Dale Earnhardt Jr. Jr.

He said I keep collecting stuff, my house is full of all I've acquired
He said I hope to master this - I am soldier you see, always order and chaos
He said I got a secret room where I
can be myself with someone I've rented
He said the only thing that really gets me off is painful enough to feel pleasure
Was it good for you?
Was it good for you? So I went back and drew a bath
And tried to see just 'bout how clean I could make my heart feel
They run, they run from your love
They run, they run from your love
They'll pray for you
They'll pray for you
They'll be watching you
She was always buying things she had to have, but you'll never see them
'Cause she got it all insured and keeps it locked in a safe behind the vanity mirror
They'll be watching you
They'll be watching you
So I went back and drew a bath
And tried to see just 'bout how clean I could make my heart feel
They run, they run from your love
They run, they run from your love
Was it good for you?
Was it good for you?
They run, they run from your love
They run, they run from your love
They'll be watching you
They'll be watching you
And they'll pray for you
