

# Steal Away

Jimmy Hughes

I've got to see you, somehow  
Not tomorrow, right now  
I know it's late, whoa I can't wait  
So come on and steal away  
Please, steal away

Now, don't start thinking, tryin' to make up your mind  
Your folks are sleeping, let's not waste any time  
I know it's late, whoa I can't wait  
So come on and steal away  
Please, steal away

I know it's wrong asking this of you  
There's no other way I can be with you  
If only your folks would approve  
Seeing like this we wouldn't have to do  
No, no

I won't tell anybody else  
I'll keep it to myself  
I know it's late, whoa I can't wait  
So come on and steal away  
Please, steal away

'Cause I need you, yes I do  
Oh, by my side  
Yes. Oh, honey I need you  
I need you, I need you to be my guide
