

# Last Train Home

## Remergence

One, two, three  
To every broken heart in here  
Love was once a part but now it's disappeared  
She told me that it's all part of the choices that you make  
Even when you think you're right, you have to give to take  
But there's still tomorrow  
Forget the sorrow and I can be on the last train home  
Watch it pass the day as it fades away  
No more time to care, no more time, today  
But we sing if we're going nowhere  
Yeah, we sing if it's not enough  
And we sing, sing without a reason  
To ever fall in love  
I wonder if you're listening in  
Picking up on the signals sent back from within  
Sometimes it feels like I don't really know what's going on  
Time and time again it seems like everything is wrong in here

But there's still tomorrow  
Forget the sorrow and I can be on the last train home  
Watch it pass the day as it fades away  
No more time to care, no more time, today  
But we sing if we're going nowhere  
Yeah, we sing if it's not enough  
And we sing, sing without a reason  
To ever fall in love  
Well, we sing if we're going nowhere  
Yeah, we sing if it's not enough  
And we sing, sing without a reason to ever fall in love  
But we sing if we're going no where  
Yeah, we sing if it's not enough  
And we sing, sing with out a reason to never fall in love  
To never fall in love again
