

Serpent of Old (feat. Ciscandra Nostalgia)

Seven Lions

Bully, freak
Monster, creep
Slow crawl, blood
In my lungs
Fire, hot
Get me off
Hurt me, cruel
Brand me, mule
Let's play dead like dogs in grass
Now you see they like you
Let's play dead like dogs in grass
Now you see they like you
I bear a cross inside my throat
It purifies my deadly sins
I am a nun for all you know
The liquid dream inside your veins
Come to me with all your anguish
Come to me in high demand
I am a woman, between my legs
Hire me, I am your man
Punch it, pull it
Let it all out
Spread love, disease
Psych ward clown
Cult-like - ether
Shackles are freedumb
Suck her dry
Rape her and leave her
I want more from life
I want more from life
I want more from life
I want more from life
I want more from life
Come into my hollow cave
Nothing left inside you
Cum into my hollow cave
Nothing left inside you
Come into my hollow cave
Nothing left inside you

Cum into my hollow cave

Nothing left inside you
