

Back On the Streets

[Gary Moore](#)

Listen to me woman, I just think it's a sin
I know you hear me knockin', but you won't let me in
Might be fine for you, just to keep me hangin' round
But if you don't open up this door, I'm gonna kick it down Sometimes I feel like, I'm back on the streets again
Sometimes I feel like there's nowhere to go
Sometimes I feel like, I'm back on the streets again Listen, you've been towing me to shore for much too long
But now I'm gonna pull you back to where you belong
Might be fine for you, just to keep me hangin' round
But if you don't open up this door, I'm gonna kick it down Sometimes I feel like, I'm back on the streets again
Sometimes I feel like there's nowhere to go
Sometimes I feel like, I'm back on the streets again
Sometimes it's the only place that I know, that I know Sometimes I feel like, I'm back on the streets again
Sometimes I feel like there's nowhere to go
Sometimes I feel like, I'm back on the streets again
Sometimes it's the only place that I know Sometimes I feel like, I'm back on the streets again
Sometimes I feel like there's nowhere to go
Sometimes I feel like, I'm back on the streets again
Sometimes it's the only place that I know Only place that I know, yeah
