

# Doggz Gonna Get Ya

## Snoop Dogg

Im in Junior High with a C+ grade  
At the end of the day I dont hit the arcade  
I to school from my mom's apartment  
I got to tell these niggas everyday dont shit 'Cause where Im at if you soft you lost  
And to stay on course, you got to roll with force  
My homeboy Dogg is chillin' in a Benz  
In front of his buildin' with the rest of his friends I give him a pound, no I mean I shake his hand  
He's the neighborhood drug dealer, my man  
I go upstairs, I hug my mother  
I kiss my sister and I punch my brother I sit down on the bed to watch some TV  
Do my ears deceive me?  
No, that's the fourth time this week  
Four young brothers got shot in the street The very next day while I'm off to class  
My momma go to work cold bustin' her ass  
My sister's cute but she's got no gear  
I got three pair of pants and with my brother I share So there in school I made a fool  
With one and a half pair of pants, you ain't cool  
'Cause there's no dollars for nothin' else  
I got beans, rice and bread on my shelf Now, everyday I see my momma strugglin'  
But now it's time I got to do somethin'  
I look for work, I get dissed like a jerk  
I do odd jobs and come home like a slob So here comes Dogg his gold is shivery  
He gives me two hundred for a quick delivery  
I do it once, I do it twice  
And now there's steak with the beans and rice My mothers nervous but she knows the deal  
My sister's gear now has sex appeal  
My brother's my partner and we're gettin' paper  
And three months later the whole hood caught the vapors  
My family's happy and everythin' is new  
Now tell me, what the fuck am I suppose to do? Doggz gonna get ya  
Doggz gonna get ya  
Doggz gonna get ya  
Doggz gonna get ya Ay yo yo, check this out Snoop  
All these niggas always talkin' about  
They love this and niggas got love for you  
Or nigga I love this ride or this chain around my neck nigga You niggas don't know what the fuck love really  
mean  
Nigga you can't buy love at no corner store nigga  
Love ain't got no price tag

Snoop I want you to kick this shit to them niggas Money is flowin' everythin' is fine  
I bought my self and Uzi and my brother a nine  
Business is boomin', everythin' is cool  
I pull about a G a week, fuck school A year passed by and I began to grow  
Not in height but juice and cash flow  
I kick up my feet to watch some TV  
'Cause now I got other people workin' for me I got a 55 inch television you know  
And every once in a while I hear just say no  
Or the other commercial I love  
That's when they say, "This is you brain on drugs" I pick up the remote control and just turn  
'Cause with this bullshit I'm not concerned  
Me and my brother we bounced in the Benz  
We drivin' around our territory again I pull up at the light like a superstar  
An automatic weapon cold sprayed my car  
I hit the accelerator scared as shit  
I drove one block to find my brother was hit He wasn't dead but the blood was pourin'  
And all I could think about was Warren  
Later I found it, it was Dogg and his crew  
Now tell me, what the fuck am I suppose to do? Doggz gonna get ya  
Doggz gonna get ya  
Doggz gonna get ya  
Doggz gonna get ya Doggz gonna get ya  
Doggz gonna get ya  
Doggz gonna get ya  
Doggz gonna get ya Yeah, so now you see what I'm talkin' 'bout nigga  
You see what that love shit do ya  
This nigga said he had love for you nigga  
And this nigga done shot your brother  
So what the fuck you gone do now? My brother's out of it but I'm still in it  
On top of that I'm in it to win it  
I can't believe that Dogg would dis me  
That faggot that punk he soft or sissy I'm drivin' around with three of my guys  
The war is on and I'm on the rise  
We rolled right up to his favorite hang out  
What's crackin' Dogg and let the bullets stang out Someone shot back so we took cover  
And all I could think about was my brother  
Dogg jumped up and began to run  
Bustin' shots hoppin' to hit someone So I just stopped and let off three shot  
Two hit that nigga and one hit a cop  
I threw down the gun and began to shout  
Ay y'll all let's break out, got 'em dip out Now as I left there goes the boys in blue  
They pointin' they guns at my four man crew  
They shot down one, they shot down two  
Now tell me, what the fuck am I suppose to do? Doggz gonna get ya  
Doggz gonna get ya

Doggz gonna get ya  
Doggz gonna get yaDoggz gonna get ya  
Doggz gonna get ya  
Doggz gonna get ya  
Doggz gonna get yaYa see the moral of the story is this  
Love is a motherfucka  
And Doggz is a motherfucka  
You mix the two up you bound to get some dramaLove's gonna get ya  
Naw nigga Doggz gonna get ya  
You ever try to play me and that's real  
That's real, that's real
