

# Still a Man

## Vaya Con Dios

Call him anything you can  
A sinner or a saint  
Call him a boozier  
A winner or a loser  
He's still a man  
He may be proud  
He may be fame  
An emperor or a slave  
He may be leader  
A liar and a cheater  
He's still a man  
He may be pulling on the chains  
Of power and of fame  
He may have lost his dreams  
He may have lost his faith  
Fearful or brave  
He'll meet his fate one day  
Call him anything you can  
A traitor or a friend  
Call him a hero  
A nothing or a zero  
He's still a man  
He may be pulling on the chains  
Of power and of fame  
He may have lost his dreams  
He may have lost his faith  
Fearful or brave  
He'll meet his fate oneday  
Call him anything you can  
A traitor a friend  
Call him a hero  
A nothing or a zero  
He's still a man  
Call him a hero  
A nothing or a zero  
He's still a man  
He's just a man  
Who does the best he can  
He's just a man

He's nothing but a man
