

Dumb Dumb Dumb

Teenage Fanclub

Its been playin' on my mind
I don't want to waste your time
And the thought of you is tearing me apart Had a name but now that's gone
I don't know where I went wrong
Now I'm all alone and driftin' in the dark Take me back to what I know
'Cause I don't know where to go
And I'm findin' it so hard to stay in tune But it's hard to comprehend
Getting closer to the end
And I hope that I'll be feelin' better soon Now I'm just a fadin' light
But I want to feel alright
And I hope that you can help me through the days And I find it hard to sleep
'Cause I sold myself so cheap
Do you think about me when I go away
