

# Down To Love (Kyau & Albert Remix)

[Armin van Buuren](#)

It's down to love tonight  
This is where we are  
As we turn into the light  
Let's make it last  
It's down to love tonight  
This is where we are  
As we turn into the light  
Let's make it last, make it last  
Let's make it last, let's make it last  
Let's make it last
