

When I'm Gone

Wiz Khalifa

[Wiz Khalifa - Verse 1]

And they say all I rap about is bitches and champagne,
You would too if every night you seen the same thing
Money wall to wall, young famous n-gga, spend it all,
when you die you can't take it with ya

Bottle of Rose if I'm drinking with ya

Cause most n-ggas is broke their bank is injured
Then bitches gonna ride with who they think's a winner
And I'll be smiling in case they take a picture

Oh, I'm smoking weed drinking liquor make a hundred
on a show spend it all on my n-ggas

When I go shopping I tell them pick one

Cause they was with me when nobody seen a vision

Always about my business don't play the cards

I talked to the n-ggas who dealed them, uhh

Royal flush, now look up them n-ggas and baby girl you see us, yeah[Chorus]

I'm gonna spend it all why wait for another day

I'ma take all this money I own and blow it all away

Cause I can't take it when I'm gone, gone, gone, gone

No I can't take it when I'm gone, gone, gone

I'm gonna spend it all why wait for another day

I'ma take all this money I own and blow it all away

Cause I can't take it when I'm gone, gone, gone, gone, gone

No I can't take it when I'm gone, gone, gone, gone, gone

No I can't take it when I'm gone[Wiz Khalifa - Verse 2]

Hella hoes in my car, they wanna feel that maximum speed

Never had an absence of weed

Tired of being at the bar, everything Louie V,

Plus the most exclusive treat in my jar

Making my bank, spending it all

and that expensive shit you paid for, she had it on

She taking it off, most of these n-ggas just talk and taking it off

Back in the day money was short, I'm making it taller
you know what I mean, some say it's a problem

Blowings my greens, not saving my collards

No NBA, they say I'm a baller

Live for today, it's not like my father[Chorus]

I'm gonna spend it all why wait for another day

I'ma take all this money I own and blow it all away

Cause I can't take it when I'm gone, gone, gone, gone, gone
No I can't take it when I'm gone, gone, gone
I'm gonna spend it all why wait for another day
I'ma take all this money I own and blow it all away
Cause I can't take it when I'm gone, gone, gone, gone, gone
No I can't take it when I'm gone, gone, gone, gone, gone.
No I can't take it when I'm gone
