

# Fight for You

John Paul White

Let's take our guns to town  
Let's push someone around  
Let's get the message saved  
For the sake of all you made 'Cause I wanna fight for you  
Yeah I wanna fight for you  
I wanna fight for you  
And I want you to fight for me  
Fight for me We've turned the other cheek  
For the sake of you and me  
So, darling, how about  
We go dish a little out? 'Cause I wanna fight for you  
Yeah I wanna fight for you  
Oh, I wanna fight for you  
And I want you to fight for me  
Fight for me When the ashes scatter  
We'll still be standing here  
I hope that's all that matters But I wanna fight for you  
Yeah I wanna fight for you  
Oh, I wanna fight for you  
And I want you to fight for me  
Fight for me Yeah, I wanna fight for you  
Lord, I wanna fight for you  
I wanna fight for you  
And I want you to fight for me  
Fight for me Yes I want you to  
Want you to  
Want you to  
Fight for me
