# Whoa

## Elise Estrada

Lookin' kinda sexy, Yeah you kinda sexy (3x)
Caught my eye as I was walking by
I don't wanna lie but damn you lookin' fly.I diggin' this view, gotta an eye full of you
If I was your girl all the things that I would do.Oh damn this hit rocks hard
Oh damn your such a rockstar
Wasn't tryna find it hit me blindsided.
Fire was ignited.
Yeah, yeah you got me like Whoa (3x)Lookin' kinda sexy, Yeah you kinda sexy (3x)Like these boots gotta fetish for the...
And my hot little mini has got you goin...
You like what you see, like the curves on me
Like the fur on me, like yo body on me.Oh damn this hit rocks hard
Oh damn your such a rockstar
Wasn't tryna find it hit me blindsided.
Fire was ignited.
Yeah, yeah you got me like Whoa (3x)Lookin' kinda sexy, Yeah you kinda sexy (3x)This kinda thing don't happen every day
And I'm up for playin this game
So I don't mind you lookin cuz you kno I'm lookin and baby its a good look.Oh damn this hit rocks hard
Oh damn your such a rockstar
Wasn't tryna find it hit me blindsided.
Fire was ignited.
Yeah, yeah you got me like Whoa (3x)Lookin' kinda sexy, Yeah you kinda sexy (9x)
