

Day Three: Pain

Ayreon

[Agony]
I am pain
I am real, I'm not a dream
I'm the chain around your neck as you scream Surrender now
You can't beat death at his ruthless game
Make your bow
Hang your head in shame [Me] I can't believe there is no way out...
[Agony] You'll find you are wrong
[Me] You fill me with doubt...
[Agony] You were never that strong [Agony]
I am pain
I am the wound that never heals
It's all in vain
No compromise, no deals... [Me] I can't believe this is the end
[Agony] It's written in stone
[Me] Where are my friends?
[Agony] You have always been alone! [Rage]
(Pain!) We lead
We hide as the pain leaves the rage inside
(Motion personified alpha)
Being here, welcomed by... a sane mind
A travelled lie [Agony]
I am pain
I am the end, I am your wraith
Nothing remains
I'm the loss of hope and faith [Me] I can't believe there is no way out...
[Agony] You'll find you are wrong
[Me] You fill me with doubt...
[Agony] You were never that strong [Rage]
We lead, we hide as the pain leaves the rage inside
(Motion personified alpha)
Being here, welcomed by... a sane mind
A travelled lie
All the time, I had waited with rage
All the time, I was promised my salvation [Love]
I can't accept this, we will find a way
Out of this cesspool of doom and dismay
Beyond this dejection there's beauty and grace
A glorious future we long to embrace [Rage]

(Pain!) All the time, I have waited with rage
(Motion personified alpha)
All the time, I was promised my salvation
