

# A Beginning Song

## The Decemberists

[Verse:]

Let's commence to coordinate our signs  
Get them square to lights  
Get them square to lights  
Condescend the calmest riot in your mind  
Find yourself in time  
Find yourself in time

[Chorus:]

I am waiting, should I be waiting?  
And I am wanting, should I be wanting?  
And all around me, all around me

[Verse 2:]

Document the world inside your skin  
Tender of your lips  
The tender of your lips  
Doc commence to care each brick of heart  
The sensor on your heart  
Starting with your heart light up

[Chorus:]

I am waiting, should I be waiting?  
And I am wanting, should I be wanting?  
And all around me, all around me

[Bridge:]

I am waiting, should I be waiting?  
And I am wanting, should I be wanting?  
And all around me, all around me  
I am hopeful, should I be hopeful all around me  
All around me

[Verse 3:]

It's it sunlight, it's it shadow  
It's the quiet, it's the word  
It's the beating heart  
It's the ocean... It's the boy  
It's you, my sweet love  
Oh, my love

And the light, bright light  
And the light, bright light  
Bright light, bright light  
It's all around me  
It's all around me  
It's all around me
