

Believer

The Mynabirds

This hole
So tired of filling up
Lost nights
Hangovers
And easy love
It's not enough
I don't know what I'm doing
You're gone
I swore I wouldn't miss you much
Such a shame
Keep changing my addictions up
Here's another one
For another one
I don't know what I'm doing
I don't know what to say
When you ask what's in my
Heart these days
You say you're a believer
But you don't have any faith
Not even in me
It's the hardest to take
So long
It's taking us
So long
To make this road
Wind back our way
I don't know what I'm doing
I don't know what to say
When you ask what's in my
Heart these days
You say you're a believer
But you don't have any faith
Not even in me
