Only Girl (In The World) (feat. Alex Goot)

[Boyce Avenue](#)

I'm gonna love you, when our time is right

Be thinking of you, every day and every nightTo think you're somewhere in this world

and someday I will make you my wife

So every day we're not together

I hope you know that you'll be alright

Cuz I....I'm gonna make you feel, like you're the only girl in the world

Like you're the only one that I'll ever love

Like you're the only one who knows my heart(Oohh)Like you're the only one that's in command

Cuz you're the only one who understands

How to make me feel like a manAnd when you're lonely, I'll keep you company

Like this world was only made for you and me

And when it doesn't feel right with another, I hope you believe

That in a world with no light, I will be all that you need...to see(CHORUS)I'm gonna make you feel, like you're the only girl in the world

Like you're the only one that I'll ever love

Like you're the only one who knows my heart(oohh)Like you're the only one that's in command

Cuz you're the only one who understands

How to make me feel like a manTa da da da (4x)(Wooah oohh)(Repeat Chorus)
