

Shy Boy (Don't It Make You Feel Good)

Bananarama & Fun Boy Three

He used to be a shy boy
Until I made him my boy
I never missed a heartbeat
Just sitting in the back seat I'm gonna give him all my love
Each and every night
One thing I know he's dreaming of
I wanna squeeze and hold him tight But don't it make you feel good
(Shoop shoop aaahh)
And don't it make you feel good
(Shoop shoop aaahh)
Don't it make you feel good
(Shoop shoop aaahh)
And don't it make you feel good
(Shoop shoop aaahh)
Everything we put together
Seems to last forever
He knows about a good time
Gonna make him all mine He gives me lovin like nobody else
I like the way he turns me on
I wanna keep him all to myself
If my heart could beat that strong But don't it make you feel good
(Shoop shoop aaahh)
And don't it make you feel good
(Shoop shoop aaahh)
Don't it make you feel good
(Shoop shoop aaahh)
And don't it make you feel good
(Shoop shoop aaahh)
I'm gonna give him all my love
Each and every night
One thing I know he's dreaming of
I wanna squeeze and hold him tight But don't it make you
(Shoop shoop aaahh)
But don't it make you
(Shoop shoop aaahh) He gives me lovin like nobody else
I like the way he turns me on
I wanna keep him all to myself
If my heart could beat that strong But don't it make you feel good
(Shoop shoop aaahh)

And don't it make you feel good
(Shoop shoop aaahh)
Don't it make you feel good
(Shoop shoop aaahh)
And don't it make you feel good
(Shoop shoop aaahh) But don't it make you feel good
(Shoop shoop aaahh)
And don't it make you feel good
(Shoop shoop aaahh)
Don't it make you feel good
(Shoop shoop aaahh)
And don't it make you feel good
(Shoop shoop aaahh)
