

# Bury Me an Angel (Live in Japan 1997)

## Arch Enemy

Symbolical and mystical  
Between life and death we're torn  
A constant struggle  
Like an apocrypha  
Nobody can be certain  
A thousand days, spent in hell  
The ultimate sacrifice  
Your voyage starts  
With a question mark  
But the distant future  
Will not tell Bury me an angel  
Set my black soul free!! Blackened chariots  
Bearing evil souls  
Ride the surface of burning holes  
Nocturnal... traveller  
You represent the ruined spirit  
Symbolical and mystical  
You shall be damned for all time
