

# Crazy Little Thing Called Love (feat. J-Status)

Rihanna

Ooh yeah  
Yeah yeah When you stand so close to me  
I'm feeling butterflies  
Is this the way that it supposed to be  
When I look into your eyes?  
All you have to do is say my name  
Just a stutter, more like butter  
Since I met you boy my whole worlds changed  
I can't hide this or deny this Boy you got me catching feelings  
Got me thinking maybe you're the one  
I didn't understand the reason  
That my heart was beating like a drum  
I didn't understand the meaning  
Then you opened up my eyes to  
A crazy little thing called love  
(A crazy little thing called love)  
A crazy little thing called love  
(Woah! Yeah!) My best friends tell me  
"Rihanna what's got into you?"  
I say "LeAndra I can't explain  
These feelings I'm going through"  
They tell me "Girl it's not like you to fall this way"  
I try my best to wear a disguise  
But it's written on my face Boy you got me catching feelings  
Got me thinking maybe you're the one  
I didn't understand the reason  
That my heart was beating like a drum  
I didn't understand the meaning  
Then you opened up my eyes to  
A crazy little thing called love  
(A crazy little thing called love)  
A crazy little thing called love  
A crazy crazy little thing called love Girl, it's crazy It's amazing  
It's the loving that you feeling  
Put a tingle in your body every time you want a healing  
Hey Rihanna  
Baby girl for you missing the song yeah  
So tell the DJ put the pon de replay  
If you wanna

Come on my Bajan baby  
Let me take to Jamaica  
And introduce you to the real thing  
For the loving where you are  
So baby you're my number 1, not number 2  
So if its lovin' that you want  
Baby you should make me your boo  
Boy you got me catching feelings  
Got me thinking maybe you're the one  
I didn't understand the reason  
That my heart was beating like a drum  
I didn't understand the meaning  
Then you opened up my eyes to  
A crazy little thing called love  
(A crazy little thing called love)  
A crazy little thing called love  
(Whoa! Yeah!) Don't understand the meaning  
This means crazy baby  
I try my best not to show  
But you know its so crazy baby  
Crazy little thing called love  
A crazy little thing called love
