

# Who's in the House

## Carman

Oh yeah, yeah, c'mon let's do it  
Yo, rock it! Born, born, born, born, born, born  
He was a born to a virgin named Mary on Christmas Day  
He bled and He d-died on the cross to take sin away  
You take Him high, you take Him low  
You take J.C. wherever you go Now tell me who, who, who, who, who?  
Tell me who's in the house? J.C.  
Tell me who's in the house? J.C.  
Tell me who's in the house? J.C.  
Tell me who's in the house? J.C.  
Jesus Christ is in the house today The way is straight and narrow  
And few there be that find it today  
But there's an angle in the tangle  
And it's Jesus Christ, He's the way The solution to pollution of the mind  
And problems with sin  
For two thousand years  
It's still, you must be born again Now tell me who, who, who, who, who?  
Tell me who's in the house? J.C.  
Tell me who's in the house? J.C.  
Tell me who's in the house? J.C.  
Tell me who's in the house? J.C.  
Jesus Christ is in the house today Who do you go to when the road is long?  
Jesus, you go to Jesus  
Who is the answer for when things are going wrong?  
Jesus, His name is Jesus Jesus, He's hope for the hopeless  
Jesus, The Holy One  
Jesus, Friend to the friendless  
Jesus, God's only Son Jesus, Bread for the hungry  
Jesus, for every man  
Jesus, for all creation When He's in your life, you want to dance, dance  
We're kickin' it for Christ  
Dance, dance, we're kickin' it for Christ  
Dance, dance, we're kickin' it for Christ  
Dance, dance, we're kickin' it for Christ Ya'll tell me who, who, who, who, who?  
Tell me who's in the house? J.C.  
Tell me who's in the house? J.C.  
Tell me who's in the house? J.C.  
Tell me who's in the house? J.C.  
Jesus Christ is in the house

Jesus Christ is in the house  
I said that Jesus Christ, He's in the house today Kick it
