It's Been a Long Time

Lady Wray

If I been hiding, wasting all my days
Did I give up on all my dreams? No, no, no
My heart is beating, I'm alive like a baby
Today is the day that I succeedIt's been a long, long time
It took a while to find my way
It's been a long, long time
But I got it nowHello sunshine, it's time to get on the road again
Cause you been sleeping far too long
A cup of coffee will sure wake you up I know
Opportunities knocking at your doorIt's been a long, long time
It took a while to find my way
It's been a long, long time
But I got it nowBeen a long time, been a long time
Not enough
Been a long time, been a long time
Not enoughIt's been a long, long time
It took a while to find my way
It's been a long, long time
But I got it nowBut I got it now
But I got it now
But I got it now
Yes, I got it now
Yes, I got it now
Yes, I got it now
