

You'll Be the Death of Me

Louise Dowd & Jeremy Abbott

So complicated
With you it's never easy
I'm fascinated
You put a spell on me
Always the last man standing
You're dangerous
My heart or mind
Who can I trust?

You'll be the death of me
Root from a poison tree
My Pyrrhic victory
You'll be the death of me

Intoxicated
I know I damned something nice
Keep gravitated
Jump to your [?]
Each day you pull me closer
No turning back
With you I know
I've met my match

You'll be the death of me
Root from a poison tree
My Pyrrhic victory
You'll be the death of me

You'll be the death of me
Root from a poison tree
My Pyrrhic victory
You'll be the death of me
