# Save Me from L.A.

## Sunset Riot

a broken bottle and shattered dreams
a baby's got a case of who knows what
abona found an ugly truth tonight

are you good enaugh to save me from LA
are you good enaugh to save me from LA
are you good enaugh, are you good enaugh
are you good enaugh to save me from LA

the twisted smiles that haunt me now
i cannot move, breath or even scream
a freedom sins are far away yey yeah

are you good enaugh to save me from LA
are you good enaugh to save me from LA
are you good enaugh, are you good enaugh
are you good enaugh to save me from LA
ooohhhh uuhhhhh
save me, save me
are you good enaugh to save me from sins of my youth
save me, save me, save, save

are you good enaugh to save me from LA
are you good enaugh to save me from LA
are you good enaugh, are you good enaugh
are you good enaugh to save me from LA
are you good enaugh to save me from LA
are you good enaugh to save me from LA
are you good enaugh, are you good enaugh
are you good enaugh to save me from LA
