Sweat (A La La La La Long)

Inner Circle

I've been watching you
A la la la la long, a la la la la long long li long long long
Come on
A la la la la long, a la la la la long long li long long long
Hey

Standing across the room
I saw you smile
Said I want to talk to you-oo-oo
For a little while

But before I make my move
My emotions start running wild
My tongue gets tied
And that's no lie

Looking in your eyes
Looking in your big brown eyes
Ooh yeah
And I've got this to say to you
Hey!

Girl I want to make you sweat
Sweat till you can't sweat no more
And if you cry out
I'm gonna push it some, more, more

Girl I want to make you sweat
Sweat till you can't sweat no more
And if you cry out
I'm gonna push it
Push it, push it some more

A la la la la long, a la la la la long long li long long long
Come on
A la la la la long, a la la la la long long li long long long

So I said to myself
Does she love me or not?
But the dreads done know

That love is his to get

With a little bit of this
And a little bit of that
My lyric goes on the attack
My tongue gets tied

And that's no lie
Looking in you eyes
Looking in your big brown eyes
Ooh girl
And I've got this to say to you
Hey!

Girl I want to make you sweat
Sweat till you can't sweat no more
And if you cry out
I'm gonna push it some, more, more
Girl I want to make you sweat

Sweat till you can't sweat no more
And if you cry out
I'm gonna push it
Push it, push it some more

A la la la la long, a la la la la long long li long long long
Ooh yeah
A la la la la long, a la la la la long long li long long long
One more time
A la la la la long, a la la la la long long li long long long
Sing it
A la la la la long, a la la la la long long li long long long
Hey

Woo woo woo woo wee yeah
Eyes
Looking in your big brown eyes
And I've got this to say to you
Hey

Girl I want to make you sweat
Sweat till you can't sweat no more
And if you cry out
I'm gonna push it some, more, more

Girl I want to make you sweat

Sweat till you can't sweat no more
And if you cry out
I'm gonna push it
Push it, push it some more

A la la la la long, a la la la la long long li long long long
Yeah
A la la la la long, a la la la la long long li long long long
Push it push it some more

A la la la la long, a la la la la long long li long long long
Alright
A la la la la long, a la la la la long long li long long long
Push it, push it some more
