

Significant Other

Dandylion

Pullin back from the precipice
Feel so small now, stars shine bright above
 Dont know why
 Receive a better life for a song
Cant but try, other leads applyLookin up at tragic rush on underground
 Birds will turn and fly
 Dont know why
 Passin through the day, only child
Breathe a sigh, other leads applyRaining all day, trying to reach you
 Feel so helpless, cant stop counting time (but in)
 Dont know why, hands (something) stealin my heart
 Graceful dives, other leads apply* (rain down from the sky)
