Can't Stand to See You Go

Jimmy Reed

(Ha, ha, ha, ha)Pick me up in the mo' nin'
Honey, just to let me know, oh
Baby, girl in the evenin'
Way upon the fifteen floor
Girl, you know I love you an' I
Can't stand to see ya goRemember on the first day I met you
Remember ev'rything you said
Oh, baby, told me you love me
That went ta my head
Oh you know I love you and I
Can't stand to see you goI backed up, to the window
I looked down on the ground
Oh baby, don't say you're leavin'
If you do I'm gonna jump downOh I know I love you
An' I can't stand to see you goHurry baby, if ya leavin'
Call me on the phone, woo
Oh baby, ooh I'm waitin'
I'm livin' here all aloneGirl you know I love you and I
Can't stand to see you go
