

# Appreciated

[Rixton](#)

Why don't you wait here while I borrow  
Something you said, dear you should follow  
Ohhh Ohhh

If they just stay age til' tomorrow  
Then that's okay  
Hate's only sorrow  
Ohhh ohhh

Cause it's you, who, takes care of everyone else  
You, need to allow me to help, you  
Ohh, appreciated

Cause it's you who somehow is always the first  
To, take care of me at my worst  
You are appreciated

It's just today, hey there's tomorrow  
All things will change, hey that's the motto  
Ohhh ohhh

When you're down be down  
When you're up be up  
I will pull you up  
Cause without a doubt  
The tables turn around, you pick me off the ground

Woah, oh oh oh oh oh oh oh oh  
Woah, oh oh oh oh oh oh oh oh  
Woah, oh oh oh oh oh oh oh oh
