The End

Ebony Tears

I'm falling endless downwards
Screaming like the filth inside of me
Burning like a fallen god dropped from high above
Dying to be released from it allFilth, Hate, Angst, A TestBurning my candle in both ends
Trapped inside this mess it's no longer me
Hatred tears my soul apart but my vision is my pain
I bash my head against the wall to be freeFilth, Hate, Angst, A Test
Sick of it all
