

You Know (feat. Lol Coxhill)

The Damned

You've got your plastic cards
But you can't create
You've got your open bars
But you can't relate Pretty as a mirror
Ugly as your smile
You won't fool anybody
Not even for a while You know, you know
You know, honey, you know
You know, you know
You know, you know Can't stop thinkin' of you
All the ways you go on
Don't try to tell me, baby
All your plastic has gone You know we need you, honey
Like I need a loan
Your time is running out now
I guess we really oughtta go Well, you know, you know
You know, yes, you know
You know, you know
You know, you know You know, you know
You know, honey You've got your plastic cards
But you can't create
You're got your open bars
But you can't relate Pretty as a mirror
Ugly as your smile
And you won't fool anybody
Not even for a while, you know, why You know, you know
You know, you know
Honey, you know, you know
You know, you know
You know You know, you know
You know, you know
You know
