

(You Caught Me) Smilin'

Sly & The Family Stone

You caught me smilin' again
You caught me smilin' again Hangin' loose 'cause you ain't used
To see me turned on You caught me smilin' again
You caught me smilin' again I'll be gone and it won't take you long
To climb a tree about me You caught me smilin' again
You caught me smilin' again I ain't down
I'll be around to carry on You caught me smilin' again
You caught me smilin' again In my pain, I'll be sane
To take your hand
