

How Am I Doing

Anna Waronker

My songs are good.
My voice is strong.
I've never been alone before...

So,
How am I doing?
How am I doing?
How am I Doing?
The road is long.
The road is tough.
I didn't think I'd have to work this hard...

So,
How am I doing?
How am I doing?
How am I doing?
As I stand,
Here on,
My own two feet.
As I look,
At how,
Are my friends so sweet.
Like you,
And You,
And you,
And you,
Like you,
And you.

You.
So,
How am I doing?
How am I doing?
How am I doing?
