All I Want Is Nothing

frnkiero and the cellabration

Check, check, check.All I want is you.
All I want is you.I think back to the heart attack,
When our world seemed so brand new.
I wasted time with a crooked spine
When I really should have spent my time with you.Now all I want is nothing,
Because all I want is what I can't have.
All I want is nothing,
If I can't have just one more single second of your undivided attention.All I want is you.
All I want is you.All I have now are memories
Of how you felt lying next to me.
All we are is a memory.
I used to have a best friend,
Now just one more enemy.And all I want is nothing,
Because all I want is what I can't have.
All I want is nothing,
If I can't have just one more second of a time
When I was yours and you were mine.
And all I want is what we never had before
But I still want more.All I want is you.
All I want is you.
All I want is you, to want me.
All I want is you, to want me.
All I want is you, to want me.
All I want is you, to want me.
All I want is you.
