

Superman (Remastered)

R.E.M.

I am, I am, I am Superman
And I know what's happening
I am, I am, I am Superman
And I can do anything You don't really love that guy
You make it with now do you
I know you don't love that guy
'Cause I can see right through you I am, I am, I am Superman
And I know what's happening
I am, I am, I am Superman
And I can do anything If you go a million miles away
I'll track you down girl
Trust me when I say I know
The pathway to your heart If you go a million miles away
I'll track you down girl
Trust me when I say I know
The pathway to your heart I am, I am, I am Superman
And I know what's happening
I am, I am, I am Superman
And I can do anything I am, I am, I am Superman
And I know what's happening
I am, I am, I am Superman
And I can do anything
