Civilian Stripes

Divine Fits

Go and do what you want
you know you can always leave
when the curtain drops
and you get it right, right, rightSo is it good
Is it really good
The quite life
Early in the night
You went walking in your new civilian stripesSo is it good
is it really good
The quite life
early in the night
You went walking in your new civilian stropsSo is it good
is it really good
uh huh
Is it good
Is it really good
The quite life
You were looking fine
