

Rock The Boat

Bob Sinclar

[Pitbull]Bob Sinclair

Mr. 305

Yeah!

[Intro]We gonna rock the boat, rock it til it breaks down

Rock the boat, bring it through the underground

[Pitbull]It's Mr Worldwide, yeah I'm marvelous

I'm so hot, I'm hotter than lava is

I don't know what you're thinkin' but I hope you're thinkin' what I'm thinkin'

Won't you show head bobblin'

Don't knock on doors, but Jehovah's my witness

And I treat sex like it's psychical fitness

Up and down like the stock market

Now baby let me give you the business

Cara linda, pecho hecho

Ay que rico, dale chica

Pelo lacio, mira eso,

Dale loca, dame un beso

[Chorus]We're gonna rock the boat, rock it til it breaks down

Rock the boat, hop it til it can't be found

Keep on rockin' we ain't stopping

Rockin' rockin', keep on poppin'

Rock the boat, bring it through the underground

CLAP YOUR HANDS...

Let's Go!

[Dragonfly]Tonight I'm thirsty and I'm drinking like a grizzly bear

Cause I'm on fire like a chilli super that you can stare

I got a lighting ball in my hair,

Let's party dirty all the way my dear

We're gonna rock the boat

(Baby you gon' see you'll be riden with me)

Rock the boat

(Baby you gon' see you'll be rolling with me)

We're gonna rock the boat

(Baby you gon' see you'll be rocking with me)

Rock the boat

(You gon' be rocking and rolling with me)

[Chorus]We're gonna rock the boat, rock it til it breaks down

Rock the boat, hop it til it can't be found

Keep on rockin' we ain't stopping
Rockin' rockin', keep on poppin'
Rock the boat, bring it through the underground
CLAP YOUR HANDS...

Let's Go!

Fatman Scoop, Bob Sinclair

We get it on, LOUDER!

We're gonna rock the boat

(What you want to do now)

Rock the boat

(Make it louder, make it louder)

We're gonna rock the boat

(How we get the party started)

Rock the boat

(Make it louder, make it louder)

[Outro] We gonna rock the boat, rock it til it breaks down

Rock the boat, bring it through the underground
