It's Barbie, bitches We got tom-toms over here bigger than a monster  
Block, block, block, block, block, block, block, block  
We got tom-toms over here bigger than a monster  
Block, block, block, block, block, block, block, block Tom-tom like in Lebanon, hotter than in Pakistan  
Click, click, click, Young Nick the atomic bomb  
Yeah, see it then you lick your tongue  
Bet that it tastes good, get you some Wicked, the ten bad bitches  
We sh-sh-shut it down like the club got glitches  
Dig it? And when you do that G.T.'s pulling up, yeah  
Spaceship, E.T.'s in the cut, yeah  
P-p-pop a bottle just to gettin' my head right  
Tell the doctor go and gettin' my meds right Monster, you know it wouldn't be proper  
If we done return with a big rocket launcher Massive attack, massive attack  
Got them bomb-bombs make the whole club go back  
Hey, bet the DJ gon' bring this one back  
Hey, like the swagger mom bring on this track, hey Massive attack, massive attack  
What's been done-done need no more say that's that  
Hey, never find me in the club laid back  
I wanna jump to this jam until we see the sun So, so hot in here it feels like a jungle, yeah  
Me don't like boys that enjumble  
One-time bust a shot for my champion girls  
Tell 'em guys super-size me a combo N-n-no one got the ammo, that's why I bullet-proofed the Lambo  
In the middle-east on a camel  
Runnin' through the jungle, Rambo, Liberace tango  
Swingin' on a vine, mango So call me Simba, little mama, 'cause Mufasa couldn't stop a bitch  
I fly in on that chopper just to buy Balenciaga  
It's just me, Mr. Miyagi, and the Phantom of the Opera  
Goin' blocka motherfucker, got that big rocket launcher Massive attack, massive attack  
Got them bomb-bombs make the whole club go back  
Hey, bet the DJ gon' bring this one back  
Hey, like the swagger mom bring on this track, hey Massive attack, massive attack  
What's been done-done need no more say that's that

Hey, never find me in the club laid back  
I wanna jump to this jam until we see the sun  
Detonating a bomb, detonating a fire  
Ros by the bucket, money-makin' attire  
Detonating a bomb, detonating them hits  
Fixin' to buy up the bar, all my bitches is rich  
You better duck when it comes, better duck 'cause it's comin'  
Best believe me we're on, got them runnin', r-runnin'  
Now tell them rap bitches that Nicki said this  
We got tom-toms over here bigger than a monster  
We got tom-toms over here bigger than a monster  
Block, block, block, block, block, block, block, block  
We got tom-toms over here bigger than a monster  
Block, block, block, block, block, block, block, block  
Massive attack, massive attack  
Got them bomb-bombs make the whole club go back  
Hey, bet the DJ gon' bring this one back  
Hey, like the swagger mom bring on this track, hey  
Massive attack, massive attack  
What's been done-done need no more say that's that  
Hey, never find me in the club laid back  
I wanna jump to this jam until we see the sun
