One More Time

Ray Price

I wonder what the power is that you hold over me
I never get to love you long, just your memory
And I make a vow each time you leave that this will draw the line
Then you come back and just like now I'm falling one more timeOne more time my lips may kiss you
One more time my arms will hold you
But it won't be long until you're gone with a memory left behind
And I just know that when you go I'll be lonely one more timeYour nearness makes me weaken and I give into you
And I'm doing all the things I said that I wouldn't do
And I make a vow each time you leave that this will draw the line
Then you come back and just like now I'm falling one more timeOne more time my lips may kiss you
One more time my arms will hold you
But it won't be long until you're gone with a memory left behind
And I just know that when you go I'll be lonely one more time
