There's a light  
A certain kind of light  
That never shone on me  
I want my life to be lived with you  
Lived with you  
There's a way everybody say  
To do each and every little thing  
But what does it bring  
If I ain't got you, ain't got? You don't know what it's like, baby  
You don't know what it's like To love somebody  
To love somebody  
The way I love you In my brain  
I see your face again  
I know my frame of mind  
You ain't got to be so blind  
And I'm blind, so, so, so blind  
I'm a man  
Can't you see what I am?  
I live and I breathe for you  
But what good does it do  
If I ain't got you, ain't got? You don't know what it's like, baby  
You don't know what it's like To love somebody  
To love somebody  
The way I love you You don't know what it's like, baby  
You don't know what it's like To love somebody  
To love somebody  
The way I love you You don't know what it's like, baby  
You don't know what it's like  
To love somebody
