

Double Infinity

Springtime Carnivore

Loved you so bad, best I ever had
North star turned black
Can't find my way back
You wanted forever
 Forever for free
If I gave you forever
 Double Infinity
 You wanted forever
 Forever for free
If I gave you forever
 What would you give to me?
After the afterglow, you're two faces start to show
I've been waiting for the one I know
You wanted forever
 Forever for free
If I gave you forever
 Double Infinity
 You wanted forever
 Forever for free
If I gave you forever
 What would you give to me?
All my panic streaks
Are you still waiting for me?
 All my panic streaks
Are you still waiting for me?
Of all the future visions shine
Diamonds burning in my eye
 All my panic streaks
I disappeared into your life
I could've been your neon sign
 All the panic streaks
 Are you waiting for me?
Are you still waiting for me?
 Are you still waiting for me?
 Are you still waiting for me?
